## Work Experience

JUL 2022

### **Queens University of Charlotte Men's Basketball | Charlotte, NC**

#### Assistant Coach

- Served as primary scout for every game. Meticulously watched and clipped game film of upcoming opponents to develop game plans.
- Used film and on-court demonstration to teach student-athletes on both a team and individual level.
- Identified and recruited potential student-athletes who fit the program's play-style and the school's values, with an emphasis on east-coast high school talent and the transfer portal.
- Developed and ran workouts for individual student-athletes; specifically worked with forwards.
- Served as compliance liaison to ensure the program stayed NCAA compliant.

MAY 2021

### **New Mexico State Men's Basketball | Las Cruces, NM**

#### Director of Basketball Operations

- Organized gym times and practice schedule with other athletic programs and facilities coordinator.
- Served as compliance liaison to ensure the program stayed NCAA compliant.
- Identified and evaluated potential 2-year and 4-year transfers, using film and analytics from Synergy.
- Worked in tandem with the 6th Man Club to organize fundraising and community outreach events.
- Coordinated and ran Chris Jans Basketball Camps.
- Aided student-athletes with various needs; housing, academic advisors, internships, game tickets, etc.

JUL 2018

### **New Mexico State Men's Basketball | Las Cruces, NM**

#### Video Coordinator

- Kept track of opponent's play calls and success rate of offensive actions and defensive coverages.
- Thoroughly clipped every game and practice using SportsCode to identify areas for improvement.
- Assisted in scouting of upcoming opponents; with focus on primary actions and personnel tendencies.
- Developed presentations for in-home recruiting visits. Coordinated on-campus recruiting visits.
- Used SportsCode scripting to track efficiency of offensive play-calls and defensive coverages.
- Used advanced analytics to determine potential areas of improvement for specific players.

JUL 2017

### **Louisiana Tech Men's Basketball | Ruston, LA**

#### Graduate Assistant

- Served as an advanced scout on upcoming opponents, with an emphasis on primary offensive actions.
- Ran workouts for individual players and worked with less-experienced players on defensive coverages.
- Maintained recruiting list and created graphics to be used in recruiting presentations.
- Developed new tools for analyzing the team's lineup combinations and shot efficiency.

MAR 2014

### **Virginia Tech Men's Basketball | Blacksburg, VA**

#### Student Manager

- Maintained recruiting list and schedules to prioritize important recruits during the live period.
- Developed tools used to aid in individual development. (i.e. shot charts, player efficiency metrics)
- Coordinated and developed schedule for Buzz Williams Team Camp (90+ teams in attendance).

## Education

MAY 2017

### **Bachelor of Science in Computational Modeling and Data Analytics**

#### **Virginia Polytechnic Institute and State University | Blacksburg, VA**
